

Lifespan is a local charity which brings ease and support to people with serious and life threatening illness and to family and friends who care for them.

As Lifespan develops it needs the following staff. One or more of these posts may be combined depending on the applicant's relevant experience and the needs of the Charity. The successful applicants would be expected to develop a close working relationship offering support and advice to each other and the wider team.

### **Chief Executive**

To be the Ambassador and face of the Charity

To have overall responsibility for leadership and development

### **Fundraising and Events Manager**

To develop and implement an appropriate fundraising strategy and secure sustainable funding

To develop and lead the fundraising team

### **Clinical Supervisor**

To ensure quality of care for patients and carers

To provide supervision and support of team members

To develop services for patients and carers in accordance with the philosophy of Lifespan

To manage a professional team working in palliative care

To be a competent educator and effective communicator

Hours and salary to be discussed depending on what each applicant can bring to the role. All posts require the ability to travel independently.

Lifespan recognises the importance of a flexible approach to attract the right mix of personalities to create the best management team to meet the needs of the continued success of the Charity.
